OPPORTUNITIES FOR INVOLVEMENT FOR EBI MEMBERS

Shipyard RFP ongoing

Skill-based sponsorship

- For studies that will not be subcontracted by the shipyard
- Such as classification studies (BV), acoustic studies and vibration studies

In-kind sponsorship

- Paint systems
- Lifesaving
- Firefighting
- Gensets
- Electrical systems
- Batteries
- Heat exchangers / heat recovery
- Sewage treatment / water treatment
- Lifting systems / deck equipment
- Doors
- Navigation equipment
- HVAC / refrigeration

WHAT IS THERE FOR YOU IN THIS PARTNERSHIP?

You can contribute to the fight against plastic pollution

- Networking / getting the word out
- Participation on The SeaCleaners' Volunteer Observer Programme

The SeaCleaners' toolkit

- Awareness-raising tools available to boaters, incl. a digital handbook to plastic waste collection

- Code of best practices to help you reduce your plastic footprint and increase your commitment to ocean protection.
